Digital Media in the Classroom

Instructor: Chuck Gevaert, Technology Specialist

Grade Level: 3-12 **Credits:** 2 or 3

Digital media takes many forms and may be used in the classroom in a huge variety of ways. During this course, students will learn how to incorporate digital media into presentations such as PowerPoint, PhotoStory 3, Windows MovieMaker, blogs, wikis, podcasts and more.

Learn skills and get ideas for creating engaging lessons that will have students researching, collaborating, creating and learning while using "cutting edge" technologies. Not only will they be completing assignments but will be asking for more! Digital media.....don't leave school without it!

*(To register for this class, please complete an **Application** form found in our course catalogue or online at www.wasdi.org/sallyr.html. Registration cost to attend is \$310.00 plus the graduate credit.)*
