

Wisconsin Education Innovations, in cooperation with the Greenfield School District, presents...

INTEGRATING THE SMART BOARD INTO YOUR CLASSROOM

➤ **Instructor:** Jennifer Mobley, SMART Certified Trainer (WIN/MAC)

➤ **Course Description:** Participants will study SMART™ Technologies Level 1 and Level 2 training curriculum and learn how to apply it to the classroom. This beginner-level course will cover the following topics:

- **Instructional design for interactive whiteboards:** Learn design techniques for setting up lessons on an interactive whiteboard.
- **SMART Notebook™ Software:** Create interactive lessons and lesson activities using Notebook software 10. Learn how to maneuver through the software using tabs, toolbars and menus, and discover how to create properties, change properties and manipulate objects.
- **Hardware components:** Basic principles of touch, write and save, as well as troubleshooting and maintenance
- **Ink Aware:** Learn to write directly into Microsoft® Word, Excel® and PowerPoint® software, and use these common applications with your SMART product
- **Additional resources:** Find out how SMART supports you with a number of resources, including free training materials and an online community

You will have ample opportunity to practice and develop learned skills, as well as receive feedback and suggestions on how to strengthen your use of the SMART Board® as a classroom tool. Participants will also learn how the many SMART Board and SMART Notebook features can be used to differentiate, motivate and engage students in all subject areas.

- This session is led by a SMART™ Certified Trainer. Participants will receive a SMART™ Notebook Level 1 and Level 2 Learner workbook that includes reference material, step-by-step activities and review exercises.
- Participants should bring copies of curriculum materials in hard copy or on a flash drive.

➤ **Dates:** June 15, 16 & 17, 2010

➤ **Time:** 8:00 AM – 4:00 PM

➤ **Location:** Greenfield High School Room 107

➤ **Credit Option:** 2 Graduate Credits through Cardinal Stritch University

➤ **Cost:** (payable to Wisconsin Education Innovations)

- **Registration/Audit Fee** \$150.00
- **Credit Fee** \$320.00
- TOTAL** \$470.00
