

The Center for Education Innovation
and Regional Economic Development
and the Sally Ride Academy present

Best Practices in Elementary Mathematics (K-5)

April 24, 2009

5:00 – 9:00 pm

April 25, 2009

8:30 am – 4:30 pm

CESA #1

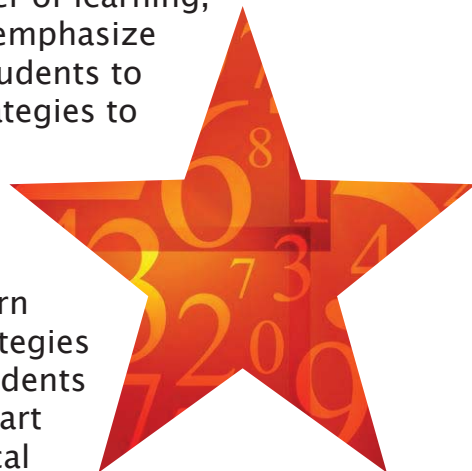

19601 W. Bluemound Rd.
Brookfield, WI 53045

Instructor: Lisa Krohn

Workshop Cost: \$100.00

1 graduate credit through Cardinal Stritch University is available at a cost of \$155. Checks should be made payable to Sally Ride Academy and will be collected the first day of the workshop.

Come and create standard based lessons that assess student proficiency and allow teachers to monitor student progress to make instructional decisions. Following a philosophy that takes curriculum text out of the limelight and puts the student at the center of learning, this workshop will emphasize how to empower students to use a variety of strategies to solve problems by building a successful math community. Participants will learn quick and easy strategies to support their students to make writing a part of their mathematical thinking and learning.
